ISO 22000 / HACCP	accredited certification bodies	Worldwide Food Safety Compliance	per supplier facility, upon verification
Phytosanitary Cert	Indonesian Agricultural Quarantine	Export document issued per shipment, as required by the destination country	Fresh & Plant Derivatives
FDA Registration	US Food & Drug Administration	food facility registration for products entering the US market	per supplier, upon verification

Flexible Commercial Engagement

A close-up photograph of a hand holding a ripe orange fruit. The hand is positioned in the center-right of the frame, with the orange held gently. The background is a dense, green citrus tree with several other oranges visible. In the foreground, a wide-brimmed straw hat is partially visible, its texture clearly shown. The lighting is bright and natural, suggesting a sunny day outdoors.
